# TRUNK OR TREAT! FAQs

## WHAT IS TRUNK OR TREAT?

A community event during which adults decorate the back of their cars (trunks) for Halloween. The cars are assembled in a parking lot for kids to participate in safe "trick or treating" from car to car. At The LUX School, parking spots are 'sold' as a means to raise funds and allow for a more enjoyable community event.

By participating, parents get to socialize with other LUX parents while also supporting the school.

## TRUNK OR TREAT TIDBITS:

- Parking spots for sale! Options at \$10 and \$25!
- Free parking available for those not participating in the fundraising.
- All trunks need to be parked & ready to go, no later than 6:45 PM.
- No speeding or backwards driving in the school parking lot.
- Sponsorship opportunities available!
