We are thrilled to begin another school year! Our community continues to grow, and we are excited to be included in your child's journey.

Effective 9/1/23, enrolled elementary students' tuition will include all school days, all early release days, and **one** full day for school holiday per month. Any additional school holidays, within the same month (after the covered holiday), will be prorated \$35 for the full day of care.

Occasional students that do not come daily will be prorated \$50 per day for school holidays.
