

## **NOTICE TO VISITORS AND PARENTS**

Commitment to the Safety and Protection of Our Children and Staff:

At The LUX Schools, the safety, well-being, and protection of every child in our care and every adult that cares for them is our highest priority. We want to assure all families, visitors, and staff that our school is a safe and welcoming environment for all children, regardless of immigration status.

### **Our Commitment**

- **Safe Space:** Our schools are places of learning, growth, and security. We do not allow any form of discrimination or fear to disrupt our mission of providing high-quality early childhood education.
- **Non-Compliance with Unauthorized Inquiries:** The LUX Schools do not voluntarily share student or family information with immigration enforcement agencies. Any request for information will be handled in strict accordance with legal protections and privacy laws.
- **No Unauthorized Access:** Immigration officers, or any unauthorized personnel, will not be permitted on our school premises without proper legal documentation and clearance.
- **Emergency Protocols in Place:** In the event of an ICE (Immigration and Customs Enforcement) raid or inquiry, our staff is trained to follow strict protocols to protect children and families from harm or unnecessary distress.

### **What Families Should Know**

- Your child is safe while in our care.
- We do not release children to any agency or entity without proper legal procedures being followed.
- Our staff has been trained to respond appropriately and will take every necessary measure to protect the well-being of our students and their families.
- If any visit attempts by immigration authorities occur, I will immediately notify parents and guardians to ensure transparency and provide necessary support.
